

Citizens for Doug Warlick
FOR “TERM LIMITS”

The incumbent is a career politician, holding this Office for 20 years after being elected at the age of 63. Since our legislature has not enacted term limits, it is up to you, the Voters of Kane County, to demand his retirement so that the Kane County Clerk’s Office is properly and efficiently managed. As a Republican, he had a chance to protect the Voters of Kane County in the last election, yet he chose not to do so.

“I pledge to serve not more than 2 terms so that the Office can continue to be refreshed with new ideas and technology, and also so that I don’t fall into complacency.”
